5 Ton Portable Rental Air Conditioner
MovinCool Office Pro 60

Computer Cooling

Providing up to 60,000 Btu/hr of computer cooling capacity the Office Pro 60 portable air conditioner is specifically designed for cooling large office spaces and computer rooms that house heat-generating electronics. As an ideal server room air conditioner, it prevents computer networks, communications, and office equipment from shutting down when temperatures rise. This powerful computer room air conditioner saves you money while protecting your company's investment in equipment, employees and customers.

Product Features

- Operates on 220v power.
- Provides 60,000 Btu/hr of cool air - maximum spot cooling to just the room that needs it.
- No costly installation necessary - simply roll it in, plug it in, turn it on.
- Condensation pump included - pumps water to remote drain for uninterrupted operation.
- 24/7 programmable operating modes
